

Fuck, did I get  
attached again?

@horses\_and\_memories

Love, it's not in  
your nature to be  
disconnected.

@horses\_and\_memories

Ugh is timely  
and kind  
communication  
too much to  
ask?

@horses\_and\_memories

Keep asking for it.  
In the meantime,  
continue  
communicating  
honestly and with an  
open heart.

Ok but is all your art going to be about waiting for a text back?

@horses\_and\_memories

@horses\_and\_memories

Sometimes,  
when I'm  
being a little  
bitch it helps  
me to get  
down on my  
knees and  
pray through  
all my  
blessings  
and then the  
wanting gets  
smaller  
because I  
remember  
how full I  
already am.

@horses\_and\_memories

Yea let's all count our  
blessing together now!

@horses\_and\_memories

5 🤗

@horses\_and\_memories

I'm learning to not judge the  
safe things that make me feel  
better.

And I'm learning to not relish in  
my own absurdity.  
I am a normal girl.
