

Im literally not gonna let
anyone hit again ever until
they send me a 12 hour
livestream of them sitting
like this really thinking and
imagining me as a real
human girl!!

this is my real life these
are my real pigeons and
real burger

I exist outside the stupid
plastic kiddie pool of
your shallow desires!!! I
dare you to ponder that!

babe ur like totally on
my mind

no those are pigeons

I've been thinking
and, I just had to
get that off my
chest.

Never say I just had to get that off
my chest when apologizing. I don't
give a fuck what's on your chest I
didn't put it there. You don't have to
tell me how burdened you are. This
is not the time. This is your fault. I
didn't put rocks in your pocket I
gave you sweetness and concern.
Any heaviness you feel is your fault
and I don't want to talk about it.

the only way to learn is
to learn

at the end of the day it
was harrowing but also
kind of an adventure?

I am so incredibly
moved by the beauty
of pigeons
