

Old hookup sliding  
into my dms  
nonchalantly like I  
didn't write prose  
about him

*Disrespectful*

*Hey girl*

*If I'm bored for a  
single second I  
might do  
something stupid.  
(I FaceTime my  
mother and watch  
her eat chilli  
instead)*

*Hey girl*

*No thank you*

**Do u wanna hang out with me?**

*Tbh I had a dream you were mean  
to me and now I distrust you.*

**What did I do?**

*You threw my shoes down the stairs.*

**Lol I would never  
do that.**

*Well yea,  
it's a metaphor.*

**Do u want to have sex?**

*You threw my shoes down the  
stairs!*

...

*Fuck.*

*Yea ima...ima go*

**Where are u going?**

*Ima go seek  
inspiration...elsewhere💕💕*

Stay lurking in the tall grass of my  
past, whatever, I'm a lurker too.
